Information

In accordance with 37 C.F.R. §1.97, applicant hereby submits the following information which the Examiner may consider to be material to the examination of the application.

The documents listed were cited in a search report dated September 5, 2000 for a European patent application corresponding to the above-identified U.S. patent application.

Form PTO 1449 and a copy of the above materials are enclosed herewith.

This statement is not intended to represent that a search has been made or that no better art exists. Applicant reserves the right to contest the applicability of any of the materials submitted herewith as prior art against the subject application.
